- To conduct regular customer satisfaction surveys.
- To simplify the Company management systems.

ISO 9001 - ISO 14001 CERTIFICATIONS

In a process of continuous improvement, last December 2016, Integral Cargo started working to implement ISO 9001 - ISO 14001 International Standards.

ISO 9001 provides quality management systems which are of real benefit to our organization in order to help manage business effectively and put in place the best practice methodology.

ISO 14001 provides our Company with practical tools to manage environmental responsibilities.

Today, we are proud to inform that we have been awarded both Certifications.
